

WSTS Employees

The Administrator and the Assistant to Administrator are responsible for the operation of all WSTS programs, for the publication of all reports and any other content of this Internet Portal, for the organization of meetings, for member services and for the financial management of the WSTS.

Administrator

Bernd Schniggenfittig

In charge since March 2009.

Bernd is working in the semiconductor industry for more than 26 years and gained extensive experience in various sales- and marketing positions.

He is the first point of contact for all inquiries concerning WSTS statistics, membership, distribution licenses and all other business affairs.

Bernd works from the WSTS office in Bruckmühl, Germany.

Assistant to Administrator

Barbara Smith

WSTS employee from the first hour, Barbara's responsibilities include the organization of meetings (including entertainment and social programs), recording of meeting proceedings, member services including invoicing, financial administration, motivation of members to assume their reporting duties, administration of web access permissions, follow up on general queries.

Barbara works from the WSTS office in San Jose, CA, USA, where WSTS maintains its administrative center.
