## Committee Meeting Participants

Each WSTS Member Company has one official representative in the Committee, who is expected to participate in the Committee Meeting (Business Meeting) and to assume his/her voting rights in the Business Meeting on Tuesday morning. Any other employee of a WSTS Member Company is invited to participate in all parts of the Committee Meeting (Business Meeting and Forecast Meeting). Participation in the Forecast Meeting is subject to the submission of a premeeting forecast.

Furthermore the representatives of the Semiconductor Industry Associations are invited to participate as observers. During your registration you will be required to declare in which role you will attend the meeting.

Certain detailed information such as the agenda, the list of participants etc. is only accessible to holders of WSTS user accounts and/or to registered participants. **If you have registered but do not have a WSTS user account, you may login to this meeting web site (right upper corner) with your registration ID as user name and your last name as password.**

Any non-member semiconductor company who has serious interest to join WSTS may send a participant to the Committee Meeting as observer. Such request is to be made to the WSTS Administrator.

## Participation Fee and Hotel Cost

### Participation Fee

The applicable rates are summarized in the table below.

Please observe the following deadlines:

**01 March 2018** start of registration period.
