

WSTS Subscription Guide

1. WSTS Statistics

The Korea Semiconductor Industry Association (KSIA) has signed a license contract with WSTS for the convenience of companies interested in publishing materials of the World Semiconductor Trade Statistics (WSTS) and provides related data (WSTS Data Subscription).

WSTS publishing materials have the advantage of predicting sales trends by major semiconductor items and the future semiconductor economy, so not only the world's leading semiconductor industry but also securities firms, research institutes, and investment institutions are joining as members and using related statistical data widely.

※ WSTS statistics available to data Subscription companies

(1) Blue Book

Statistics that divide the data voluntarily submitted by WSTS member companies by region and item and publish the order/shipment volume monthly

(2) Green Book

Monthly statistics graphing trends over the last five years based on data published in the Blue Book

(3) Forecast Report

Semiconductor products/regional market forecast data for the next three years presented at the WSTS forecast meeting held twice a year

2. Terms and conditions

The WSTS data Subscription system is divided into the member of this association and non-member companies. The contract period is valid for one year from the date of payment of the annual fee, and after that, it can be extended every one year according to the subscriber's wishes.

3. Annual fee

KSIA Member: U\$2,500

KSIA non-member company: U\$3,000

(Exchange rate is applied to the sales standard rate on the invoice issuance date.)

4. Provision of data

After the WSTS Secretariat releases statistics, KSIA will provide relevant statistics to each member company representative via e-mail within 48±6 hours (42 hours minimum, 56 hours maximum).

5. Inquiries and representatives

If you have any questions regarding the operation of this WSTS data membership system, please contact the Korea Semiconductor Industry Association's investigation promotion team and we will inform you in detail.
